A UNIQUE RECREATIONAL FACILITY

OUR MISSION

The mission of the Ralph Wilson Youth Clubs is to provide an organized and supervised environment which offers boys and girls of Temple and the surrounding areas the opportunity to share social, educational, and recreational experiences regardless of race, color, or creed, as they develop their capacity to be self-sufficient and responsible members of the community.

OUR HISTORY

The Ralph Wilson Youth Clubs evolved from the Temple Boys Club which was organized through the efforts of several Temple citizens in 1965. The current boys club building was built and donated by Ralph Wilson, Sr. in 1971. The girls club building was added in 1977 and the organization became the Ralph Wilson Youth Clubs of Temple, Inc. The Wilson family still remains a strong supporter of the youth clubs.

BOYS CLUB

The boys club provides two large game rooms with bumper pool, air hockey, ping pong, pop-a-shot basketball, pool, and foose ball tables. The gym is available for different types of games and sports. It is the location of our basketball league during the school term. The members may relax while watching a movie on the large screen television in the movie room or the video arcade. Skating is enjoyed in the multipurpose room.

GIRLS CLUB

The girls club consists of two large game rooms equipped with bumper pool, air hockey, ping pong, pop-a-shot basketball, pool, and foose ball tables. The multipurpose room hosts an array of classes. The girls can relax while watching a movie on the large screen television or video arcade. The kitchen is equipped for cooking classes and is the location of our snack bar. The library provides an area for study hall during the school term. During holidays, the library is used for board games, coloring, and bingo. The arts & crafts room is used for creative projects throughout the year.

COMMON GROUNDS

Numerous outdoor games such as four square, jump rope, etc. may be played in the area between the two club buildings. Group sports activities and games are played on the outdoor playing fields.

PAVILION

The children use the picnic tables under the pavilion for eating during snack bar and lunch times.

TELEPHONE USAGE

Because RWYC handles a large volume of telephone calls, members may not make outgoing calls. The staff member will contact the parent as needed in case of illness or emergencies. Likewise, members may only receive messages from families in emergency situations. Members are not allowed to use their cell phones.

DISCIPLINE

RWYC uses redirection, discussion, and "time-out" behavior modifications for discipline. If this does not correct the problem, other action will be taken which will include notes home to parents and possible suspension from the club.

Any fighting, pushing, shoving, or stealing could result in a minimum three-day suspension.

Immediate suspension without previous warning can be determined by the club directors for serious actions.

Field trips are a privilege and attendance on a trip may be taken away for misbehavior on a field trip or while attending the club.

Snack bar privileges will be suspended if the pavilion area is not cared for properly. Children are responsible for picking up their drink, food, and trash and disposing of them in the garbage can.

If a member is suspended and misses classes they are registered for, the classes will not be made up nor the class fee refunded.

We have an OPEN DOOR POLICY that allows our members to come and go at any time during the Clubs operating hours. Members are NOT required to sign out and staff members generally are not allowed to prohibit a member from leaving the facility. It is important for you, the parent/guardian, to let your child know your expectations and requirements of them when they arrive at AND when they are to leave our facility. Working together we can provide the care and safety that your child deserves.

Please do not drop your child/children off prior to the opening of our facilities, because there is no one to supervise them. We appreciate the opportunity to have your child/children with us. We strongly believe in safety first and ask for your help in this effort.
